Trial To Be Held Indoors / Outside | No Indoor Crating Available

AMERICAN
KENNEL CLUB

CERTIFICATION – Permission is granted by the American Kennel Club for the holding of this event under American Kennel Club rules and regulations. - Gina DiNardo, Secretary

!! ALERT !!

Trial Attendees (such as Competitors, Volunteers, and Judges) will be required to comply with any local, state, federal and/or CDC guidelines regarding COVID-19 that may be in effect on the day(s) of the trial(s). In addition Trial Attendees will agree to follow AKC's Suggested Best Practices for the Well-Being of Dog Sport Participants as they pertain to AKC Scentwork Trials.

These recommendations may include but are not limited to: travel restrictions, social/physical distancing, hand sanitizing and face masks/coverings.

There will be no indoor crating, all competitors will work from their vehicles. It will be the end of June and it could be warm outside, especially in the sun! Please plan accordingly for the comfort of both you and your dog.

The trials will be run concurrently, classes of the same level will run "back to back" searches. For example you could run Containers w/ Judge #1 and proceed directly to Exteriors w/ Judge #2. This is a very efficient method and should limit the amount of time that an exhibitor needs to be at the trial site.

The closing date is June 16th, 2021 - which is 10 days prior to the trial dates. It is the intention of the club that if the trial(s) need to be canceled due to COVID-19 it will be done prior to the closing date. If the club cancels the trials, all entry fee payments/checks will be shredded.

Other details about the trial and any information/guidelines regarding COVID-19 and its possible impact on these trials will be updated as we get closer to the trial date.

Further information will be available in the "Competitor Information" folder located here: <https://tinyurl.com/upb3f2tc>

STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area(s) - Will be out of view of search areas. Staging area(s) could include warm-up boxes, waiting area, check-in table/board for posting of running orders and results. **Handler's Briefing** - Will take place in view of the search area prior to the start of each class or level, after the hide(s) have been set and the Demo Dog has run. At the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, max. height of hides and max. time for the search. No dogs are allowed at the briefing. However, if the handler is unable to attend the group briefing the judge will provide an individual briefing at the start line. **Warm-Up Area** - One labeled container per target odor being used in the trial on that day will be placed in the warm up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so others may be able to use the warm-up area as well. Clubs may also place blank containers. The warm-up area is not for training or relieving the dog!

HIGH IN TRIAL & HIGH COMBINED DIVISION

Only teams who participate in the same difficulty level in all elements offered (Container, Interior, Exterior, Buried, and qualify in each are eligible to win High in Trial.

One High In Trial winner is chosen per difficulty level; there is no separate High In Trial for the Novice A and Novice B sections. The High in Trial is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win. The High in Trial award is not recorded by the AKC Teams winning High In Trial will earn rosette.

If a club chooses to offer the High in Trial (HIT) award and is also offering Handler Discrimination classes, they must also confer the High Combined Division (HCD) awards. Only teams who participate in the same difficulty level in all elements plus Handler Discrimination, and qualify in each, are eligible to win High Combined Division. The High Combined Division award is determined by adding a team's faults across all classes. The team with the fewest faults will be declared the winner of the High Combined Division. The High Combined Division award is not recorded by the AKC.
