

Introduction to AKC Tracking Seminar

March 26, 2022

Rain date March 27, 2022

9:00AM to 4:00PM

New Lisbon Town Hall
908 County Road 16
Garrattsville NY 13342

Presented by: Stephanie Crawford, AKC Tracking judge approved for all levels

This working seminar will teach you about the 'sport' of tracking focused on the style for AKC competition. This trains your dog to recognize and follow a human scent through various terrain. You will learn how to lay a training track and how to work with your dog as he understands the game. You will also be introduced to how to handle a dog in tracking as you train your dog. Basic elements of scent will also be covered. Dogs must be crated or confined to your vehicle when not working.

Tracking is an outdoor sport and is trained and tested in fields and urban settings. Tracking is done despite the weather so this event will be held if there is light rain that day. Please dress accordingly.

Depending on COVID best practices, hot beverages and snacks will be provided in the morning as well as lunch during the mid-day break.
