journey in a large animal practice but is quite pleased with her decision to switch to small animal medicine. She has a special interest in reproduction, dentistry, geriatric medicine, and behavior.

Dr. Laston made the move to Connecticut in 2014. She is owned by 4 black and white cats and a German Shorthaired Pointer, Henry. Henry just received his Grand Champion title in the show ring and is hoping to earn his Senior Hunt title in the spring.
