

**DEL-OTSE-NANGO  
KENNEL CLUB  
&  
SPLASHDOWN DOG  
SPORTS**

Present **Dock Diving**  
**Orientation & Try It lessons**

**July 28, 2024**

Orientation starts at 1:00 pm  
"Try It" start thereafter.

Two dogs per half hour (they alternate turns)  
16 max slots available  
\$25/dog

We are amazingly lucky to have a NADD certified dock in our area. Many people travel hours to reach one. Moreover, it's owned and operated by the very friendly, welcoming and knowledgeable, Nanci Miller.

After last summer's Try It, our very own Fiona went on to earn an invitation to Nationals under the skilled eye, hand and heart of Nanci and Vicki. Several other club members also take lessons and compete in NADD events.

**Please complete the attached form and get it back to Beth by July 20<sup>th</sup>. First come, first served for the 16 available slots!**

**\$25/dog** gets you a half hour lesson shared with another dog.

The dogs alternate and get 2 times each on the dock in that time.

- Dogs must be in **good general health**.
- Dogs must be **leashed** at all times when not on the dock and gate closed. Note: It is very, very common for them to need to pee after they have been on the dock.
- **Crating** will be out of your car.
- **Bring:** Lifejacket if you have one. Favorite toys that will float – balls and bumpers work best. Chair, pop-up, towels, snacks & beverage.
- **Dress:** Be prepared to get wet, including into the pool with your dog if necessary. Shoes that you can get in and out of easily work best.
- As with all DONKC events, you are expected to **pick up after your dogs**, or risk entry refusal at future events.
- This sport, like FastCAT, agility and others can increase your dog's arousal level. **Please be mindful of your proximity to other dogs.**
- **Toy drive** is important in this sport, so you may wish to get your dog jazzed about a certain toy or two in advance.
